Important Notice for Participation:

The TIA Private Radio Section (PRS) performs a liaison role between TIA “Policy” groups and “Standards” development groups (TR8), professional associations and government agencies on spectrum management issues, regulatory policy recommendations and issues of concern to the private land mobile industry.

PRS meetings are not bound by the “TIA Standards Development Procedures” required for a TIA Formulating Group meeting. The PRS meeting format is a “report and discussions” about recent PRS activities and key issues that affect us all.

Meeting Agenda:

1. Attendance –.
2. Documents – a review of recently posted documents on the server and TIA online FTP site for download and reference.
3. Regulatory/Legislative Issues – TIA has appointed Daniel Henry as Sr. Manager Government Affairs
4. 2017 SDoC/STR Revision Dependencies.
5. General discussion on any policy issues of interest to PRS members, users or guests.
6. Leadership – PRS Vice Chair remains open.
7. Schedule Next Meeting
8. Adjourn
